All children under the age of 8 years must be supervised at all times by an adult in the water with them.

This policy has been devised to meet guidance issued by The Institute of Sport and Recreation Management. By following the adult to child ratios provided, you are helping to keep our pools a safer place.

**One adult: one under 4 years**  
**One adult: two 4-7 years**

Further details about the admissions policy and advice on bringing young children swimming can be found in our safe swimming for children leaflet.
